1. Parking	1, 2	No accessible parking spaces provided. There are 10 spots in the lot, so 1 accessible spot is required.	4.1.2 4.6.4	ADAAG requires one accessible spot for every 25 spots available. This spot should be located closest to the entrance to the building. Restripe the parking lot to include one accessible spot. The spot should be van accessible and include loading area.	H: An accessible spot is a necessity at every building.	\$250	Elkhart County General Fund	Restriped lot		Jul-14
2. Parking	1, 2	No "Van Accessible" sign at van accessible parking space. No enforcement procedure for accessible parking	4.6.4	ADAAG requires accessible parking spaces to be located in each parking lot. Accessible parking spaces are required to have upright signage that includes the symbol of a accessibility and van accessible signage where required. Add one "Van Accessible" sign. Enforce parking regulations.	H: This will be completed when the spot is added.	\$125	Elkhart County General Fund	Added Van Accessible sign.		Aug-14
3. Registration Counter	3	Registration counter exceeds the maximum height. The counter is 42" high.	7.2	ADAAG requires sale and service counters to have a maximum height of 36" above the finished floor. Lower portion of counter or provide auxillary counter at 36" height.	M: Everyone entering facility will use this counter. Employee can walk around counter to communicate.	\$1,500	Elkhart County General Fund	Relocation of offices in the future plans		
4. Restroom		No signage for rest room. (not technically a public rest room)	4.30	ADAAG requires signage to be mounted 60" from the floor, on the wall adjacent to latch side of door, to have raised characters and Braille text. Add signage to the rest room facilities.	L: This is not a public rest room.	\$100	Elkhart County General Fund	Sign Installed		Jul-15
