For Immediate Release

Elkhart County, Indiana (February 2, 2026) – The Elkhart County Commissioners have been receiving numerous complaints regarding the delay of the opening of the Sunnyside Overpass. The Sunnyside Overpass construction is funded and managed by the Indiana Department of Transportation (INDOT). July 1, 2026, is the estimated date for substantial completion. The Elkhart County Commissioners have been actively encouraging INDOT and the railroad to meet an early opening. Ultimately, INDOT is responsible for all decisions and management of the Sunnyside Overpass project.
