5. Describe the load that you are moving.		

Section D Signature Information

This permit does not apply to any roads or bridges that are closed for construction purposes, or to any roads or bridges that are posted for gross load limits, and/or any roads, structures, wires, etc, having a restricted height and/or width clearance that will not clear said loads. A permit will not be approved if your load is divisible, either by method of loading or disassembly. The company owner or responsible officer will be responsible for any damage it causes to any roadway, drainage structure, or other public improvement located within Elkhart County Right-of-Way during the moving of said load. The company owner or responsible officer shall use all reasonable efforts to protect the public from any danger associated with the moving of the load, and shall be solely responsible for any such damage caused to the public. If the terms of this permit are not followed, the Board of Commissioners or their authorized representatives may cancel, rescind, or terminate any permits or authorization heretofore granted.
